WORKING PRINCIPLES

to find **the best solution** for our clients' business challenges

to build only **quality software solutions**

to follow **a whole system approach**

to study and anticipate **our clients' needs**

to be committed to **timing**

to make **affordable and user-friendly solutions**

TESTIMONIALS

When looking for a strategic IT-partner for the development of a corporate ERP solution, we chose SumatoSoft. The company proved itself as a reliable provider of IT services.

Yuriy Semenchuk, Scalex Co.Ltd., General Director

Sumatosoft is one of the most serious and most competent companies with whom we have worked. The development is done in a timely manner and the quality has always been top. 100% Satisfaction Guaranteed!

Mouna Khetab, Born To Be Young, CEO

SumatoSoft is truly great at communication and understanding the slightest peculiarities of the project that our business needs. They were always in touch with us to ensure that all our business requirements the met. It's been a great business relationship.

Roman Gagarin, HarmonyPark, Head of Production
